

Welcome! Thank you for choosing the Hampton Inn and Suites Harrisburg North to accommodate your group while you are in our city. To ensure the safety and comfort of all of the guests that are staying at our hotel during this time, we have created some guidelines. As the adults responsible for the safety and welfare of the children, we think that you will find these rules helpful. Please take a moment to review them and share the information with your team members.

1. There is a dress code for the food and beverage outlets in the hotel. Please make sure that your team members comply with the dress code. Shirts and shoes are required while dining in the food and beverage outlets.
2. Please educate your team members about the serious danger and inconvenience that can be caused from an intentional false fire alarm. Fire alarms are for true emergencies only. Any false alarm will be investigated by the fire department and the cost of responding to an intentional false alarm will be passed on to the person (s) responsible for the false alarm.
3. We have found that a **10:00PM** curfew for the children under the age of 18 is very helpful for their safety and for the appropriate operation of the hotel. Please help us to enforce this curfew.
4. Running, shouting, horseplay and roughhousing are never acceptable behavior while on the hotel property. This includes hallways, lobby areas, stairwells and hotel rooms.
5. **As a courtesy to all of our guests, we ask that no sporting equipment be used inside the hotel.**
6. Please help us enforce the pool hours and the safety rules and regulations that are posted at the pool. Children under the age of 16 are not permitted in the pool area without a parent or adult guardian. We require groups to provide at least one adult supervisor for every 5 children.
7. Pool towels are available poolside. Accordingly, please notify your team members not to remove towels from the rooms for use at the pool.
8. For the safety of your children and other guests, children under the age of 16 are not permitted in the fitness area.
9. Please note, the hotel management will give one warning for noise or other disturbances. If it happens again, the hotel reserves the right to ask the guests to vacate the property and forfeit their room rate and tax for the remainder of the stay.
